OLD SCOUT BOURBON

STRAIGHT BOURBON WHISKEY

Curating fine whiskey sounds too fancy for our taste. Scouting for great whiskey - now that sounds fun. That's why we're always on the lookout for whiskey to share no matter where it's made. Because when we find something worthy (in Indiana for example), we bring it home to the mountains of West Virginia where we blend and bottle it alongside the whiskey we make ourselves. And in this case, we called this 99 proof bourbon Old Scout. Enjoy.
