

# *Patiently Crafted Appalachian Spirits*

**WORLD WHISKIES AWARDS** Gold Medal

**CONTRADICTION BOURBON**

*A marriage of a wheated bourbon we make in WV, and a rye bourbon produced in Indiana, we create the blend and then rebarrel the whiskey in used oak for 90 days before bottling.*

*Sweet, smooth, full-bodied, and nutty; with notes of dried fruit and butter-rum.*

**WORLD WHISKIES AWARDS** Best Single Barrel Bourbon In The World

**OLD SCOUT AMERICAN WHISKEY**

*A union of a bourbon and a whiskey distilled from a bourbon mash and aged in used barrels, this whiskey while excused from being called a bourbon, retains all the flavor and drinkability you'd expect of one.*

*Sweet and delicious with pie crust and brown sugar undertones.*

**OLD SCOUT SINGLE BARREL STRAIGHT BOURBON**

*A select, single-barrel edition, Old Scout Single Barrel is bottled at a unique cask-strength with each release reflecting the exact barrel proof of the distinct cask in which the whiskey was aged.*

### COMPANY OVERVIEW

*Appalachia has always been known for whiskey. Like the Scotch-Irish farmer-distillers and settlers who forged western Virginia from the surrounding jagged hills, we at Smooth Ambler have built our homes and lives here. Engrained are the virtues of beauty, family, quality and hard work in everything we do including the world class whiskeys we produce. From grinding our own carefully selected regional grains, to painstakingly choosing each barrel that makes its way into a batch, to labeling and signing each bottle, careful and personal attention to detail exists in everything we do at Smooth Ambler. We have one, simple goal: to create a truly rare drink you and your friends will never forget, and to bring it to you with utmost integrity and authenticity.*
